FIRST IN RESULTS TO ADVERTISERS

NUMBER 3

Bigger Enrollment in Local Schools Seen This Year

Grade School Staff is Completed; Classes to Begin On Sept. 4

With increased enrollment forecast, the Antioch schools will open September 4.

The Antioch Township High school already has an enrollment of 262, an increase of 50 over last year. There are 128 girls and 134 boys who are ready for the first day of classes and they will be distributed as follows: freshman class, 81; junior, 55; sophomores, 62, and seniors 64.

All but one of the teaching positions have been filled.

The grade school will open at 9 a. m. on the day set with the following members of the teaching staff in charge:

Kindergarten—Mrs. Fanny Yates, Antioch—(New).

First grade—Mrs. Fern Lux, Antioch.

Second grade—Mrs. Lucille Whitacre, Antioch.

Third grade—Miss Dorothy Sander, Couderay, Wis., (New).

Fourth grade—Mrs. Florence Grennock, Round Lake, (New).

Fifth grade—Miss Hyla Gawthrop, West Salem, Ill., (New).

Sixth grade—Mrs. Myrtle Beil, Antioch, (New).

Seventh grade—Mrs. Anna Nielsen, Antioch, (New).

Eighth grade and Principal—Richard Whitacre, Antioch.

Music Instructor—Hans Von Holwede, Antioch.

Six members of the faculty are new to the school this year. Because of the shortage of teachers Principal Whitacre feels fortunate in having his staff completed at this time.

"Birth certificates must be furnished by children entering kindergarten and by children who have not been enrolled previously in our first grade," Principal Whitacre said.

Battle to Be Renewed for Speedboat Honors Next Sunday Afternoon

The battle for Class E speedboat race honors will be resumed at Channel Lake pavilion Sunday when Milford Buelow will again pit his "Chickie" against Gus Grundstrom's "Viking" and Commodore Eddie Zender will bring out his "Hex II" to give both competition.

The "Chickie" was leading the race at the Bohemian Yacht club event last Sunday afternoon when her spark plugs fouled and she died. No other spark plugs were available so that the second heat of the race could be run by Buelow's boat.

Choppy water caused greater propeller slippage and the motors to turn at a higher revolution speed than the motors could stand, and Molinari's "Miss Ann" was out of the second heat with damaged bearings.

After the race Gallart sold his "Whip Me" to George Borovicka, owner of the Reeves drug store.

The results of the Class E race was Viking, first, 4:50; Miss Ann (Molinari), second, 4:50½. One and one-fourth mile course, three laps. Gallart's Whip Me II didn't finish.

Other races during the afternoon were as follows: Outboard Class C—B. G. Harpe (Snort), first; Roy Spore (Schneider) second; Babe Anbacher (Ach Mama), third. Time 7 min. 12 secs.

Peter Seyl special race for novices—The Burp, first; V-13, second; Ach Mama, third. Time 7 min. 22 secs. In this race Ray Spohr's boat was first, but was ruled out as not being a novice. His time was 7 min. 5 secs.

Inboard 95 h. p. race—(First heat) Eric G. Dark, first; Peter Kaiser, second; Louis Balas, third. Time 6 min. 28 secs.

Second heat—Peter Kaiser, first; Eric G. Dark, second; Henry Polz (Union), third; Louis Balas (Missed It) fourth; Henry Stuper (Fertle Turtle), fifth. Time 6 min. 22½ secs.

Mr. and Mrs. Henry Nagel, of Blue Island, spent last week with Mr. and Mrs. Henry Mau, at their Lake Marie home. Mr. and Mrs. Henry Goos and friends, of Harvey, Ill., were Sunday guests at the Mau home.

Mr. and Mrs. Henry Mau and friends, Mr. and Mrs. Emil Roth and family, of Chicago, Mr. and Mrs. Glenn Holdridge and family, of DeKalb, spent Tuesday at the Milwaukee fair.

Antioch Firm Opens New Cleaning Plant To Extend Business

The Chain O' Lakes Cleaners and Dyers Co., has opened a new cleaning plant a mile and a half south of Antioch on Rte. 21.

Remodeling a 20x45 foot brick and masonite building, the company formed by the brothers, Jack and Louis Mowen, has established a modern plant, installing a complete Triplex cleaning unit.

Calvin (Doc) Leslie has been placed in charge and there will be five employees, bringing to eight the number employed there and at the main office at 907½ Main St., in Antioch.

The downtown office of the company will be maintained and the service will be extended throughout the whole lake region in the north part of Lake County.

Until recently all cleaning has been done elsewhere.

The Mowens have had their establishment in Antioch a little more than a year and their business has increased by leaps and bounds. Jack is a World War II veteran having served three years with the navy in the Pacific.

Committees Are Chosen for Vets' Homecoming; Program Is Tentative

Special hosts serving as a committee to greet veterans and visitors at the Antioch GI Homecoming celebration Sunday, Sept. 1, have been designated by the American Legion and Lions club.

Willard Schneider, commander of the Veterans of Foreign Wars, George B. Bartlett, village president, and William A. Rosing, township supervisor, are honorary chairmen; publicity will be under the direction of Howard Gaston of the Antioch News; Fred Peterson, village marshal, will be in charge of the direction of traffic; Cletus Vos, public safety; and Herman Holbek, first aid.

The dignitaries in charge of entertainment include: Dr. D. N. Deering, James McMillen, Edward Jacobs, Edmond Vos, C. K. Anderson, F. J. Bud Arnold, Harry J. Krueger, C. F. Gaffey, William M. Marks, Daniel S. Boyer, Charles N. Ackerman, Adolph Kucera, T. R. Birkhead, Richard Whitacre, Roman B. Vos and George Wagner.

Tentative plans for the homecoming call for a parade at 2 p. m. from the high school to the village park. There a short program will be provided, and a public reception given. Light refreshments for visiting service men and women will be served.

Lake Villa Days Open on Friday

The 11th annual Lake Villa Days celebration sponsored by the Lake Villa Volunteer fire department will open on Friday for three days.

The celebration will provide fun and amusement for young and old and will see rival fire companies in water fights, ball games, dancing, games and amusements of all sorts ready for the large crowd which are sure to be attracted.

A large part of the operating cost of the fire department is paid with money derived from this source each year.

Grayslake Carnival Will Open Today for 4 Days

The carnival sponsored by the Grayslake post, The American Legion will start this evening and continue through Sunday night.

Besides the usual carnival attractions there will be water battles Friday and Sunday evenings at 7:30.

Members of the post have been working hard to make the affair a success and with favorable weather it is expected that large crowds will be in Grayslake on each of the four nights of the carnival.

Nathan Harrison Were Married 45 Years Ago

Mr. and Mrs. Nathan A. Harrison of 7215 N. Kerby St., Portland, Ore., formerly of Antioch, were to celebrate their forty-fifth marriage anniversary yesterday afternoon and evening at their home.

Invitations received by friends in Antioch gave the reception hours from 2 to 4 and 7 to 9 p. m.

Mr. and Mrs. Harrison resided in this community until 1938 when they took up residence in Oregon.

Rescue Squad Fund Given Good Start by Loon Lake Donation

North Shore Subdivision Gives \$100 In First Of Large Gifts

The drive to obtain money to finance the work of the Antioch Rescue squad was started off at a fast pace through a gift of \$100 by the North Shore Improvement Association, Inc., of Loon Lake, this week.

Lewis E. Rozic, president of the association, said that members of executive staff conducted a house-to-house canvass Sunday morning and the results speak well for the 63-lot subdivision.

Other officers of the association are J. W. Kass, treasurer; H. H. Knutsen, secretary; Laurence Sedlitz, C. F. Smith, and Harry Anurius, directors.

Harry J. Krueger, chairman of the Antioch Lions club Rescue Squad Fund committee, as well as other members of the committee, expressed themselves as being highly gratified by the unsolicited gift from the subdivision and added that "this is the type of co-operation which will put our drive over-the-top, and make it possible for Antioch community to have the best-equipped and most complete rescue squad to be found anywhere." He added that without the help of subdivision leaders of the area, the job of raising the needed funds would be doubly hard, and that since the squad is ready to respond to calls anywhere in the region on a 24-hour basis, it was thought that a 100% response would be forthcoming from all organizations of this type in the region.

The Felter Sub-division association at Lake Catherine also is planning to solicit its members at their annual meeting one week from Sunday. President J. F. Honenadel said this week that Felter's had always given generously to the fund for upkeep of the squad each year, and that he was sure a favorable response would be had when it was brought to the attention of the membership.

Those in charge of the campaign are agreed that if the response is as good in general as the first contribution the goal easily will be reached. In the meantime letters asking for donations are being sent out to nearly 5,000 persons in the area benefited by the squad's service.

Wallace E. Drom, 73, Passed Away Aug. 19 At Sterling Hospital

Wallace E. Drom, 73, passed away Aug. 19, at Sterling Public hospital, Sterling, Illinois, following a stroke suffered over a week ago.

Born in Thawville, Illinois, Feb. 26, 1873, he was the son of August and Anna Drom. He came to Antioch 70 years ago and had made his home here until three years ago, when he moved to Polo, Illinois, where he made his home with a daughter, Mrs. Margaret Donaldson. His life work was farming. He started a milk route in Antioch from 1910 to 1913 and again in 1918. This business is known now as Scott's Guernsey Dairy Farms.

Three brothers, Frank, Ben, and Dwight, preceded Mr. Drom in death and his wife, Maud, passed away in 1935. One son and two daughters have preceded him in death.

Surviving are one son and two daughters, Edwin Drom, of Brookfield, Mrs. Anna Nielsen, of Antioch and Mrs. Donaldson, of Polo, one brother J. B. Drom, of Antioch and two grand children.

Funeral services were held today (Thurs.) from the Strang Funeral home. The Rev. Loyal V. Sittler, of Waukegan, officiated. Burial was in Liberty Cemetery.

Lake George Resident Passes Away Aug. 11

Margaret Knakfuf, 29, died at the Kenosha hospital, Kenosha, Wis., Sunday, August 11, following eight months of illness. The Knakfuf family have made their home at Lake George for the past four years and previous to that in Chicago.

She was the daughter of Eugene Zsutty, of Bristol. She is survived by her husband, Clarence, one daughter, Dolores Jean, a sister Guzella Lenhardt, of Chicago.

Funeral services were held at Bethany Church in Chicago, August 14. Burial was in Acacia Park cemetery.

Mrs. Lester Heath, who has been very ill at St. Therese hospital, for the past two weeks, returned home Saturday. Her condition is much improved, although she is still confined to her home.

Proclamation

WHEREAS, many of the young men and women of the community who served so ably during World War II have been returned to the community, and

Whereas it is our sincere desire to express, as ably as we may, our sincere appreciation and gratitude to those who gave so freely of their all that we, as a nation, might endure, and

Whereas, the Antioch American Legion Post, the Sequoit Post Veterans of Foreign Wars, and other organizations have arranged to welcome these men and women back to their homes,

THEREFORE, I hereby proclaim Sunday, September 1, 1946 to be "Antioch G. I. Homecoming Day," and further ask that all business places and homes display the colors on that day, and that all residents attend the ceremonies.

George B. Bartlett,
Village President

Lake Villa Club Sets Aug. 31 as Date for Auction

Festival and Auction Sale Provide Funds For Youth Work

Nylon stockings, poultry, scarce food items, liquors and many other hard-to-get articles will be put on the block and knocked down by Col. W. A. Chandler on Saturday, August 31, when the annual auction sale and festival sponsored by the Lake Villa Community Men's Club opens.

The event, which makes possible the fine work which has been done for the youth of Lake Villa, attracted more than two thousand persons, all of whom had a good time, last year. The auction will take place in the afternoon commencing at 2:30, according to William Weber, chairman for the event.

The club records show the expenditure of more than \$3500 during the past two years, and this money was used to provide athletic equipment, to secure instructors and supervisors, as well as to pay the expenses in connection with woodshop project, girls club, camera club, Boy Scout troop and other young people's organizations. The club has also sponsored several teen age dances and parties.

The festival, which will follow the auction and continue throughout the evening will feature free dancing, games, rides, contests and other entertainment, including refreshments and food which will be served by the Ladies organization of the Lake Villa church.

Artist to Demonstrate Make-up in Novel Way At Mari-Anne's Salon

New and exciting tricks in make-up will be given women of the Antioch area in a novel way from Aug. 28 through Sept. 3 at Mari-Anne's, when a Renee Thorton make-up artist appears there for a period of instructing.

The unusual part about the course is that the artist will teach the make-up methods and direct the correct manipulation of face and throat though barely putting a finger on you during the entire procedure.

In this case, the person getting the treatment does the cleansing and make-up, applies the creams, the lotion, the powder base—even the final touch of mascara—all under her watchful eyes. You do not get "done to" as in the standard salon make-up.

It is a thorough education in the art of personal beauty care that is unique and nonhigh pressure in its approach. You know how to duplicate Renee Thorton's beauty routine thereafter in the privacy of your own boudoir.

There is no charge or obligation.

Correction

The regulations for the duck hunting season place the possession limit at 14 instead of 7 as reported in last week's Antioch News. This is a two-day bag and is a reduction from 20 of last year. The daily bag limit has been reduced from 10 to 7 as previously stated.

Family of Five Rescued After Boat Collision

A family of five persons were rescued from the waters of the channel at Channel Lake near Rte. 173 at 3:30 p. m. Wednesday after a speed boat crashed into a motor driven rowboat.

Rescued were R. Simpson, his wife, two sons, aged 10 and 12, and a daughter aged 6, of 3014 78th Court, Elmwood Park, Ill.

They had just rented a boat from the Channel Lake boat house and Harlo Cribb, of Depot St., had attached an outboard motor and started them out into the channel when a speeding outboard motorboat driven by Joseph Destetano, of 189 S. Oak Park Ave., Oak Park, Ill. struck them.

The speed boat was said to have turned the lighter craft over and passed entirely over it. Mrs. Simpson grabbed one boy and held to the upturned boat and Mr. Simpson grabbed the little girl and did likewise. Their screams for the second boy caused Destetano to search for him and in his dive he discovered the 12-year old youth under the upturned boat protected by a pocket of air.

Cribb Witnesses Accident

Witnessing the accident, Cribb jumped into a row boat and rowed to the scene in time to lift the boy from Destetano's hands and to get Mr. and Mrs. Simpson and the other two children into his boat.

The boy who had been under the boat was cut on the cheek and the back of the head by the propeller of the speed boat. He was given first aid treatment by the Antioch Rescue squad and Dr. Amos P. Bratrude closed the wounds. Mrs. Simpson suffered from shock.

The side of the row boat was shattered but the speed boat was not damaged. The latter is driven by a 50 h. p. motor.

Demand Strict Regulations

The accident has increased the demand for stricter regulations of boats in the Chain O' Lakes region. This is the third occasion this year that power craft have run down rowboats and endangered lives.

Classified as federally controlled navigable waters, with Fox river connecting the lakes, they are under the control of the Coast Guard. An appeal once before made to that body, will again be taken, it is said to make the lakes safe for pleasure seekers from the carelessness and inexperience of drivers of high-powered craft.

The accident occurred north of the bridge and about 50 yards off the shore of the Channel Lake house in about 14 feet of water.

Venetian Village Carnival To Open Thurs., August 31

Plans are now complete for the opening of the Venetian Village Annual Carnival to be held August 31 and September 1 at Venetian Village subdivision, east of Lake Villa on Grand Avenue, according to advice from L. C. Ross, chairman of the committee in charge.

"A rip-roaring good time, with amusements for both young and old—plenty of music and refreshments, and your whole family is invited" is the way one member of the committee puts it in advertising which is being circulated throughout the Lakes region.

B. A. Ray Sells Business Here After 20 Years

B. A. Ray who has been in business in Antioch for the past 20 years, sold his service station at the intersection of Rtes. 173 and 21 last Thursday to Lowell Smock.

Ray expects to retire and will live in Waukegan where the family has made its home for the last 45 years. Smock, a former resident of Iowa, is a veteran of the recent war, having served in the marines. He was discharged in January and has been a resident here since. Gertrude, his wife, is the daughter of Joseph E. Horton.

CORRECT DATE PROVIDED

John Lindmeier, Maywood horse-shoe pitching expert will be in Antioch Sept. 8 instead of Sept. 6 as previously announced to give his exhibition at the Antioch High school grounds. He invites the public to participate in the sport and will give instructions.

4-H CLUBS WIN \$104
Lake County 4-H club members exhibited 17 dairy animals in the junior division at the Illinois State fair in Springfield last week and won \$104 in prizes.

Government Spending and Your Dollar

Of all the issues which will face the next Congress, none will be more important than that of a balanced budget. Continued deficit spending, with the war over and the country undergoing a boom period, is the greatest threat to the value of the dollar, the savings of the people, and the future stability of the nation.

In the depression times, the advocates of free spending enthusiastically backed the John Maynard Keynes theory, which, to put it simply, is that government must go in the red and prime the pump when conditions are bad. Now the same group seems to have forgotten the logical development of that theory—which is that in good times government must retrench, spend less than it receives, and build up some economic fat for lean years to come.

A sound fiscal policy now must have three progressive phases. First, the budget must be balanced. Second, there must be an orderly program for reducing and eventually liquidating the public debt. Third, when sufficient progress has been made along the first two phases, taxes on industry and individuals must be gradually reduced.

This is a long-term program. Its results will only be apparent over decades. But it must be the backbone of any fiscal policy which will spare us from government-induced inflation, the destruction of insurance values, the collapse of the currency, and the kind of general economic collapse we are witnessing in Central Europe, China and elsewhere.

Steel Supports American Industry

For a great many years, the basic barometer of industrial production has been steel output. The reason for that is simple. Steel is essential to the operation of almost every industry, farm and home.

Steel makes our motorcars. Steel goes into our kitchens in great quantities. Steel products package the food we eat. Steel builds our trains and planes and

ships and buses. Steel is indispensable on the farm. Even the most primitive form of transportation, walking, involves steel—in the form of the nails in our shoes!

Some time back there was talk to the effect that steel's dominant place in our industrial life might lessen, due to the development of new, competitive materials. It is true that great progress has been made with other metals and with plastics. They have found an important place in our industrial picture. But we still need more than ever for countless new uses.

During the steel strike, America's industrial machine moved inexorably to a virtual stop. The effects of the strike are still being felt, in the form of shortages of steel products. For this is the vast industry, basic in every sense of the word, on which all other industry depends.

The Problem of Medical Care

The problem of extending and improving medical care for the American people breaks down into two phases. First, we must avoid the ruinous mistake of subjecting the doctor to political dictation which would destroy much of his initiative and lead inevitably to a decline in medical progress. Second, we must find some means of financing it which will not impose an excessive burden on people who are already bowed and staggering under the vast weight of social security taxes, income taxes, property taxes and many other governmental drains on their income.

The pending Murray-Wagner-Dingell health bill fails on both these counts. It would create an enormous bureaucracy with sweeping, centralized powers over doctors, clinics and hospitals. It would impose a heavy tax on all workers and employers, thus still further reducing "take home" pay. And the revenue thus derived would in all likelihood be insufficient, making it necessary to subsidize the measure from the strained Federal treasury.

The best solution thus far offered for the medical care problem is the voluntary group medicine plan, under which families, in effect, insure themselves against sickness. If illness or accident occurs, they are treated by doctors of their own choice—not politically appointed doctors. They receive hospital and clinical attention when needed.

In addition, rural areas, of their own volition, are experimenting with other ideas. Out of such efforts, progress is made. And the fact remains that the American people already have the highest standards of medical care in the world—including those countries where medicine has been socialized and regimented for years.

Mrs. Rountree, who spent the past month with her sister, Mrs. Lulu Nelson, at her home, at Monaville, left last Wednesday for her home in Nashville, Ill., and Mrs. Nelson accompanied her to Chicago and visited relatives there until Friday.

Willette Eddean Monnier, 6 month old daughter of Mr. and Mrs. Elmer Monnier, of Oak Knoll Drive, was christened at the Community Church last Wednesday evening at 7:30, by Rev. Pierson and following the service, Mr. and Mrs. Monnier entertained Mr. and Mrs. Cecil Anderson, Mr. and Mrs. Oaker, Miss Jenne Peterson and a friends, all of Oak Knoll Drive at a small party at their home.

Mrs. Charles Britton was hostess for the pinocle club at a pot luck dinner and an afternoon of cards at her home on Burnett Ave., on Wednesday this week.

Mrs. Stella Pedersen spent Monday with Mrs. Al Boehm at her home near Wedges Corners.

Mrs. Marie Kelly and son, Edward, of Waukegan, were guests of the Blumenschein family on Sunday.

Mr. and Mrs. Carl Sorenson, of Tomahawk, Wis., visited with relatives and friends here this week. They have sold their farm at Tomahawk and will live in the town.

The Gordon Blumenschein family, of South Bend, Ind., spent a few days last week with the Blumenschein and Schneider families here.

Leonard Schneider has his new home on Grand Avenue, east of the tracks, well under way.

Mr. and Mrs. Horace Kapple and family, of Crystal Lake, Ill., visited relatives here last Thursday afternoon.

Voting at the Lake Villa and Monaville schools last Saturday afternoon for consolidation of the two schools carried by quite a large majority.

Boys' Blouses

In sewing for small boys who wear their trousers buttoned to a blouse, make the blouses long enough to allow for moving buttons down. Turn up a wide hem on the bottom of the blouse, and use it as a stay for the buttons, or sew twilled tape on the underside of the waistline for the same purpose.

AUCTION

Chas. Leonard & Ed Vogel, Auctioneers, State Bank of Richmond, Clerking. Having decided to quit farming and moving to Wisconsin will sell at Public Auction on the James Randall farm located on the Keystone Corners, 2 miles south and 2 miles west of Richmond, about 6 miles northwest of Ringwood and about 5 or 6 miles northeast of Greenwood, on

SUN., AUG. 25, 1946

"I'M A SWITCHMAN IN A RAILROAD YARD"

"My job is shunting cars in a busy Northern Illinois rail yard, a part of the world's greatest transportation center. Every day I see rolling stock from practically every railroad in the country. When it comes to loading and unloading cars, I know there's no faster service in the world. They tell me there's more track in the Chicago industrial area alone than there is main line mileage in 39 of the 48 states, and I can easily believe it.

"It's to my advantage to work at the heart of this country's transportation industry. My home is in Northern Illinois and my family and I enjoy living here because of fine churches, museums, libraries and sport facilities."

This switchman is one of many thousands employed in transportation in Northern Illinois... the greatest transportation center in the world.

Chicago and Northern Illinois is served by 22 trunk lines and 17 belt and terminal railroads... Nine principal air lines connect Chicago by air with every major city in North America, England and Europe. ... Over 600 truck and bus lines speed products, parts and people to 24,000 United States communities. ... There are 10,000 miles of inland waterways serving Chicago and Northern Illinois. Transatlantic vessels may come to Lake Michigan ports direct via the St. Lawrence, and the Illinois deep waterway provides a direct link with the Gulf of Mexico.

Transportation is only one of the many advantages available to industry and business in Chicago and Northern Illinois. As an aid to others considering location here, the staff of trained industrial engineers in our Territorial Information Department is available to supply factual data concerning this area. These studies will be prepared in as great detail as is required, confidentially and without charge.

Industries locating in this area have these outstanding advantages: Railroad Center of the United States • World Airport • Inland Waterways • Geographical Center of U. S. Population • Great Financial Center • The "Great Central Market" • Food Producing and Processing Center • Leader in Iron and Steel Manufacturing • Good Labor Relations Record • 2,500,000 Kilowatts of Power • Tremendous Coal Reserves • Good Government • Good Living • Good Services for Tax Dollars • Send for free booklets containing useful information on these advantages.

This is one of a series of advertisements on the industrial, agricultural and residential advantages of Chicago and Northern Illinois. For more information, communicate with the

TERRITORIAL INFORMATION DEPARTMENT

WILMOT

Mr. and Mrs. Dean Loftis, Carol Stevie Loftis, of Detroit, were guests from Thursday to Sunday of Mr. and Mrs. Guy Loftis. Sunday they spent with T. C. Loftis and Mr. and Mrs. Ray Ferry at Zion. The Ferrys held open house on Sunday for Mr. Loftis.

There will be a Mothers club business meeting at the Wilmet Graded school Tuesday afternoon, Sept. 3.

Lt. Keith Hegeman, Rantoul, spent the weekend in Denver, Colorado, flying there in a P-47.

Mr. and Mrs. Percy Mizzen and family, Truesdell, spent Saturday with Mr. and Mrs. W. R. Schennink. Rose Schennink returned to Truesdell with them for the weekend.

Mr. and Mrs. Jack Schenning, Chicago, and Vernon Schenning, Kenosha, spent Sunday with Mr. and Mrs. W. R. Schenning.

Mrs. Herbert Sarbacker spent from Wednesday to Saturday at Madison. Mr. and Mrs. Frank Kruckman spent Sunday with Mrs. Lou Cole at Crystal Lake. Mr. and Mrs. Tom Anderson, of Long Beach, Calif., who were guests of Mrs. Cole, returned to Wilmet with them, for a stay here.

Leland Hegeman is having extensive repairs made to his buildings.

Mrs. William Cole accompanied Mrs. Leonard Rush, of Richmond, to Madison Sunday to visit Will Cole, who is a patient at the Madison General hospital. Monday Mrs. Cole went to Beloit to stay with Dr. and Mrs. Bliven Rice.

Mrs. Bertha Elwood, Chicago, is visiting Mr. and Mrs. Russell Elwood. Mr. and Mrs. Don Herrick and son, Mrs. Vivien Rasmussen and Barbara and Mrs. Ford Herrick, Oak Park, were guests of Mr. and Mrs. Harry McDougall Sunday.

Mr. and Mrs. Harry McDougall were in Milwaukee Tuesday and Wednesday and attended the State fair.

Mr. and Mrs. George Higgins attended the Orlando, Fla., picnic at the Orvis home in Camp Lake Wednesday.

Mrs. Iva Kimball spent Monday in Kenosha.

Mr. and Mrs. Edward Bouden, Mr. and Mrs. Walter Daley, of Edison Park, called Friday evening at the home of Mr. and Mrs. Paul Ganzlin.

E. E. Moyse, Fred Moyse and Mrs. Etta Beath left Monday by automobile for Tampa, Fla., after a two month stay with Mr. and Mrs. Paul Ganzlin.

James Holtdorf, Antioch, son of Mr. and Mrs. Lloyd Holtdorf, spent the past week with Mr. and Mrs. Walter Frank while his parents were visiting Mrs. Olga Frank, at Grand View.

Mr. and Mrs. Melvin Lake and Mr. and Mrs. Robert Horton attended the Milwaukee State fair on Sunday.

Services at Peace Lutheran church Sunday, Aug. 25, will be at 10:00 a. m.

Jack Elbert is home from the Kenosha hospital where he was a patient the past two weeks.

Merlin Peterson, Madison, spent the weekend with his parents, Mr. and Mrs. Winn Peterson.

Mr. and Mrs. Orville Pacey, Milwaukee, Mr. and Mrs. Roy Haller and sons, Kenosha, were guests Sunday at the home of Mr. and Mrs. Cyril Pacey. Roy Haller, Jr., remained for the weekend at Pacey's. Mrs. George Feldkamp returned to Kenosha with the Hallers for the week with relatives.

Mr. and Mrs. Mathew Thom announce the birth of a son, Paul Mathew, at the Burlington hospital on Wednesday, August 14.

Mr. and Mrs. Wallace Miller attended the tenth wedding anniversary of Mr. and Mrs. Glen Miller at Brighton, on Sunday. Jackie, Kay and Sandra Miller are spending this week with their grandparents, Mr. and Mrs. Peter Miller at Brighton.

Adolph Neumann, Racine, was a supper guest Sunday evening of Mr. and Mrs. Gus Neumann. Gus Neumann is receiving allergy treatments from Dr. R. Waller, Milwaukee at the office of Dr. F. Bennett in Burlington.

Fritz Oetting accompanied Floyd Zarnstorff and Fritz Kruse, of Richmond, to Mercer Lake, Wis., last week on a fishing trip. Fritz Oetting caught a 30 lb. muskellunge.

Mrs. Fritz Oetting and daughter, Carol, spent the past week with her parents, Mr. and Mrs. Frank Zarnstorff, at Richmond.

The Union Free High school opens after the summer vacation on Tuesday, September 3, with registration on the opening day. The Wilmet Graded school will start on Tuesday, also.

Ray J. Austin had twelve entries of dahlias at the Wisconsin State fair and was awarded 9 prizes. 2 firsts, 5 seconds and 2 thirds.

Mr. and Mrs. Ervin Rasch and children and Ray J. Austin were dinner guests Sunday of Mrs. J. F. Hastings in Kenosha.

Mr. and Mrs. Roy Lewis, of North Chicago, were guests Friday evening of Mr. and Mrs. Henry Easton.

Eda and Rosa Bufton, Kenosha, and Grace Carey were dinner guests Wednesday of Lillie Darby at the home of Mr. and Mrs. Bert Doolittle, at Antioch.

FARM TELEPHONES ARE GOING IN FAST

Despite serious material shortages, we're making good strides on our \$3,000,000 rural telephone program.

Service was installed last year for 3,000 additional rural families. This year, we are busy building hundreds of miles of new rural telephone lines. And hundreds of men—many of them returned war veterans—have completed intensive training courses and are hard at work on this rural job.

Our 1946 goal is 9,000 more telephones in rural areas—and even better service for our present customers.

ILLINOIS BELL
TELEPHONE COMPANY

THANK YOU for waiting for delivery of your NEW CHEVROLET

We are doing our best to see that you
get your new car as quickly as possible

Remember—Our CAR-SERVICE is your best CAR-SAVER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled service now and at regular intervals.

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolet.

We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.

Lake Villa Methodists To Sponsor Style Show At Gymnasium, Aug. 28

The Halcyon Group of the Lake Villa Methodist church will present "Pretty Girls and Melodies" a Fall Fashion Review, on Wednesday afternoon, August 28, at 2 p. m. at the Lake Villa gymnasium.

Ten models will present 50 different styles in fall clothing. Furs will also be shown. Furnished by Heins of Waukegan.

There will be an old-fashioned dress review. \$5.00 in cash will be paid to the person owning the oldest dress. Owners can model the dresses themselves or call Mrs. R. Hussey at Lake Villa 2301 and arrange to have your dresses modeled.

The solovox will be played by Mrs. Timmersmann. Vocalists will be Emily Tschappat and Ray Pierson.

Refreshments will be served and there will be prizes.

FRED TREPTE CELEBRATES BIRTHDAY ANNIVERSARY

Fred Treppe, son of Mr. and Mrs. Hans Treppe of Lake Catherine, celebrated his eighteenth birthday anniversary at his home Thursday with a dinner party for eight of his friends.

MR. AND MRS. BARNSTABLE PARENTS OF SON

Mr. and Mrs. Russell Barnstable are the parents of a son "James Russell," born August 14, at the Kenosha hospital.

Mrs. Marion Rigby returned to Antioch Library, Monday, August 19, after spending the past eight weeks at Madison, Wisconsin, where she attended summer school at the University of Wisconsin. Mrs. Herman Meinersmann, of Lake Villa, had charge of the library during Mrs. Rigby's absence.

Charles Roscerans, of New York, spent last week with his aunt, Mrs. Mollie Sommerville. Weekend guests of Mrs. Sommerville were: Mr. and Mrs. Harold Johnson and son, Franklin, of Rockford. Mrs. Hazel Kinrade and Mr. and Mrs. C. Gikerson and daughters, of Marengo.

Miss Virginia Sass, of New York, arrived in Antioch Sunday, for a two weeks visit with Mr. and Mrs. Harold Gaston, at their home at Lake Catherine.

Decorating China

Decorating china is both pleasant and interesting. We have openings now for several girls or women whom we will train as china decorators. Fascinating work with excellent earnings possibilities.

Former Antioch Teacher Returns From Turkey

Miss Cornelia Roberts, dean of discipline and director of student affairs at the American Girls college in Istanbul, Turkey, who has been visiting her parents, Mr. and Mrs. H. S. Roberts, of Mundelein, formerly of Antioch, since Aug. 1, plans to return to Turkey leaving New York on the S. S. Vulcania Aug. 27.

Miss Roberts was formerly a teacher of English in the Antioch Township High school. She resigned her position here to teach abroad before the start of the recent war and experienced the uneasiness of foreigners abroad during that period although she was in a nominal friendly country.

Card of Thanks

We wish to thank the members of the Antioch Rescue Squad who assisted Dr. D. N. Deering in my recovery. You are doing a wonderful work for the community.

Mr. and Mrs. Andrew Hansen

Mr. and Mrs. P. J. Mutch, of Aspinwall, Pennsylvania, are visiting at the Ziervogel home at Lake Marie.

LEGAL NOTICE

PUBLIC NOTICE

To the Patrons of the Illinois Bell Telephone Company:

The Illinois Bell Telephone Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission a cancellation of individual, one-way, incoming business and P. B. X. exchange trunk line, inward only, flat rate services at Antioch and Lake Villa exchanges.

A copy of the revised tariff sheets may be inspected by any interested party at the business office of this Company, 966 Victoria St., Antioch, Illinois.

All parties interested in this proceeding may obtain information upon the matter by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

**Fact
and
Scripture**

We readily look at our mirror
for it faithfully reveals our faulty
appearance.

Much more ought we to accept
the Word of God which is able
to enlighten our life.

"All scripture is given by in-
spiration of God, and is profit-
able for doctrine, for reproof, for
correction, for instruction in right-
lousness."

That the man of God may be
perfect, thoroughly furnished unto
all good works."

Japanese Beetle

The exact date Japanese beetles arrived in the U. S. is not known. The Japanese beetle was not recognized as an introduced species until 1916 when it was found in Burlington county, N. J., by inspectors of the New Jersey department of agriculture during the course of their annual summer inspection of nurseries. In Pennsylvania the beetle was first found in 1920 in the vicinity of Philadelphia. It is considered probable that it was introduced accidentally in the grub stage in soil surrounding bulbs or ornamental plants shipped here from Japan.

Future Cropland

Most recent department of agriculture suggestions developed in co-operation with the states, are for 418 million acres of cropland by about 1950, or 8 1/4 million below the 1935-39 average, assuming prosperity conditions and desirable changes in practices. Improved agricultural methods, including conservation practices, account for the allowable decrease. If full advantage were taken of all technological improvements, actual cropland in 1950 possibly could drop to 330 million acres.

Fans Ancient

Although fans have been used in China since about 3000 B. C., the folding fan was not known until the Seventh century, when it was invented by the Japanese. In Europe, the gestures ladies used in handling their fans developed into code signals for flirtatious purposes.

Widen Window

Widen the narrow window by having draperies cover only the wall; not the window itself. If curtains and draperies are all pleated alike and hung on one long rod, a unified and impressive appearance is achieved.

SALEM

Miss Olive Hope was a Kenosha visitor Friday afternoon.

George Nicals, Robert Perry, Clarence Otto and Mr. Munson, of Kenosha, spent Wednesday evening with Mr. and Mrs. Robert Patrick. The boys were all in service with Robert overseas.

Mrs. Ed Elkerton, of Kenosha, called on Mrs. Arthur Bloss, Sr., and Mrs. Fred Head Saturday afternoon. Sunday Mrs. Head drove to Antioch with Mrs. Elkerton and spent the day with Mr. and Mrs. William Krautkramer.

Dr. and Mrs. E. P. Grady and son, David, of Kewanee, Wis., spent the weekend with Mr. and Mrs. John Evans. Mrs. Grady and David remained for a week's stay. Their daughter, Nancy Grady, has been with her grandparents for the past two weeks.

Miss Eleene Minnis, of Chicago, spent a few days the past week with Mr. and Mrs. Frank Dixon.

Mr. and Mrs. Thomas Webster, Park Ridge, Ill., are spending the week with Mr. and Mrs. Edward Evans.

Mr. and Mrs. Ray Patrick, of Kenosha, spent the weekend with Mr. and Mrs. Byron Patrick.

Mrs. Gilbert Little and Mrs. Gordon Brown have returned from Green Bay where they spent the past week.

Mr. and Mrs. Robert Imrie have returned from northern Wisconsin, where they spent a few days vacationing.

Mr. and Mrs. Byron Patrick, Mr. and Mrs. Robert Patrick, Mr. and Mrs. Ray Patrick were dinner guests of Mrs. Gertrude Davis and family, of Bassett Sunday. The occasion being her daughter, Mary Jane's birthday anniversary.

Mr. and Mrs. Byron Patrick called on Mr. and Mrs. William Kruckman at Burlington Sunday evening.

Miss Joan Allen, of Zion, Ill., is spending a few days with Judith Ann Dix.

Mr. and Mrs. Theodore Eylea and family left Sunday for Minnesota where they will spend a week visiting relatives.

Robert Manning, son of Mr. and Mrs. E. T. Manning, arrived home Saturday from overseas where he has been stationed the past eighteen months. Robert spent most of his time overseas in Germany and now has his honorable discharge.

Poultry Manure

Poultry manure is an excellent source of nitrogen for plants. However, care must be taken in using fresh poultry manure in the garden. If applied in excess or close to the roots it may cause stunting and death of the plants.

Big Industry
Agriculture in Illinois is in the four billion dollar bracket.

Pruning Tools
When pruning tree vines and bushes use the sharpest tools possible. Saws and knives must be kept sharp to avoid tearing the bark below the cuts and thus opening places where infection, fungi and bacteria may enter the plant and eventually destroy it.

Disease Threat

Parasites and the germs of livestock diseases are real threats to young livestock and poultry unless buildings are thoroughly cleaned, scrubbed and disinfected.

As we were saying-----

By Jack and Louie

Howdy Folks: There's vast difference between a horse race and a political race. In the horse race the whole horse runs.

You can't fool all of the people all of the time, but a politician is contented with a sizeable majority.

Daffy-nation
Politician—One who loves his country and wants to make as much out of it as possible.

That little boy who was sent to the store and forgot what he was sent for grew up to be a congressman.

You know we're only kidding. As a matter of fact, the writer came from a long line of politicians. His grandfather ran for the border, once.

We make no bones of the fact that we are running after your business.

And, if we get your trade, we'll try hard enough to hold you by fair methods, too.

LITTLE THINGS MAKE FOR BIG POPULARITY!

OUR CUSTOMERS'LL TELL YOU. *Bud Bowman*

WORLD'S BIGGEST INDEPENDENT DAIRY

—our customers have made Bowman Dairy

that. Of course, folks expect big things from

Bowman . . . things like milk that's

country-fresh, better-tasting,

tested (10 times) for richness,

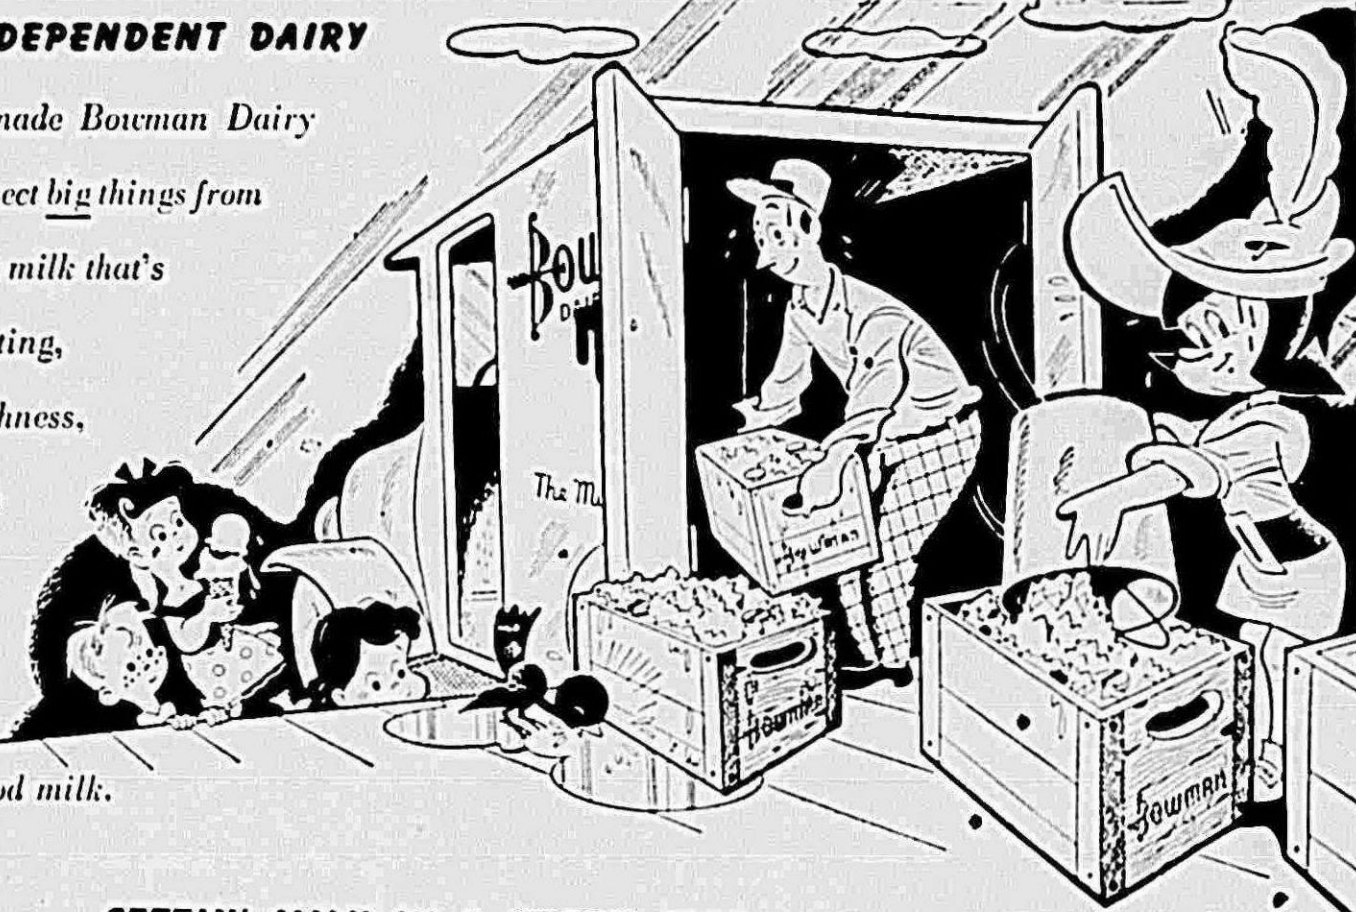

purity and flavor. But,

they notice especially

the many little things

Bowman does

to assure them such good milk.

SETTIN' MILK IN A SHADY SPOT

at your door, for instance . . . that's one of

dozens of little things Bowman does to make sure

you always get fresh, delicious milk. Another is

packing crushed ice around bottles on the "wagons"

to keep milk temperature always below 50 degrees.

You'll taste why Bowman Milk enjoys such big

popularity the very first time you try it.

PHONE: ROUND LAKE 2431

RE M I N D E R

The dairy products delivery businesses of E. F. Voss, Harvard, and the Round Lake Creamery Company, Round Lake, have been acquired by the BOWMAN DAIRY COMPANY. This means the finest dairy products for customers, a better year around market for local milk producers.

Bowman Dairy Company

Tune in THE BOWMAN MUSICAL MILKWAGON every MONDAY through FRIDAY—11:30 A.M. (CDST)—WMAQ. New radio hit, our telephone serenade . . . and maybe you have someone you want Tommy Port or the Dairymaids to sing to.

HICKORY

Mr. and Mrs. S. J. Handley are visiting at the home of their daughter, Mrs. Harrie Kilstrom at Hamburg, New York.

Mrs. Willie Strahan is visiting relatives in Canada for two weeks.

Mrs. Caroline Marble visited at the home of her brother, Mr. A. P. Wells in Waukegan from Saturday until Tuesday.

Waukegan Fair on Sunday.

George Thompson, of Zion, spent Sunday at William D. Thompson's.

Mr. and Mrs. William Gerber and son, Jimmie, drove to Watertown, Wis., on Sunday and visited relatives there; a sister, Mrs. Rose Nass and her two children, and a brother, Paul Gerber and his wife and family.

Milton Smith and Allen Latham, of Champaign, were home over the weekend.

Raymond Wells went to the Mill. Mrs. A. T. Savage and Miss Josie Mann, of Waukegan, visited friends at Grayslake and Crystal Lake last Friday.

Mr. and Mrs. Fred Leable visited Mrs. George McNeill and son, Terry, in Kenosha Sunday afternoon and evening.

THE ARAB AND THE CAMEL

By NATE COLLIER

**Nutritious Fare**

In 1942 the bureau of home economics and human nutrition of the department of agriculture pointed out that dairy foods consumed in this country supplied 78 per cent of all the calcium, 39 per cent of all the phosphorus, 27 per cent of all the fats, 17 per cent of all the food energy, 24 per cent of all the proteins, 27 per cent of all the vitamin A, and 48 per cent of all the riboflavin intake by humans in this country. With the increase in milk consumption since then, those percentages are even higher.

Glazed Carrots

Serve carrots glazed liberally with sirup and topped with chopped mint leaves.

Cauterize Tick Bite

When a tick is found feeding on a human, remove it with tweezers or forceps or wear rubber gloves if necessary to remove it with the fingers. Cauterize the bite with a solution of carbolic acid or of silver nitrate, then scrub the hands thoroughly. If, following exposure to ticks, Rocky Mountain spotted fever is even remotely suspected, consult a doctor immediately. Prompt hospitalization and treatment are essential for best chances of recovery.

Mending Stocking

A run up the back of a stocking close to the seam may be mended quickly by stitching together the edges of the run into the seam on the wrong side of the stocking.

AUCTION

Do It Now!

Small dents in the fenders and body of your automobile can be repaired quickly and cheaply if taken care of before rust attacks the metal of the car—if you delay this work, rust and corrosion will make a large, expensive job out of a small inexpensive one.

We have complete, modern equipment to put your automobile in first class shape.

Painting—body and fender work
